**Annex A (to be printed on host institution's letterhead)**

Project "insert title" submitted by the Researcher ("Principal Investigator") "insert name and surname"

I the undersigned \_\_\_\_\_, in the capacity of a Legal Representative for \_\_\_\_\_ (Host Institution), with a registered office at \_\_\_\_\_ (town/city) \_\_\_\_\_ (address),

declare

that the \_\_\_\_\_ (Host Institution) applying for contributions as part of the *Call for Proposals: Brains to South – Promotion of Best Talent in Scientific Research 2018* granted by the CON IL SUD Foundation and expiring on 28 November 2018, is fully aware of the responsibilities deriving from false declarations or false statements, or containing information that do not correspond to the truth,

hereby

- a) undertake to host the Researcher ("Principal Investigator") at least for the entire duration of the research and provide him/her with appropriate workspace, laboratories, equipment, qualified personnel and other resources that may be necessary for the proper execution of the project;
- b) provide the Researcher ("Principal Investigator") with a work contract appropriate<sup>1</sup> to the tasks which will be carried out and which will include all necessary pension and health coverage, as governed by the CCNL (*Contratto Collettivo Nazionale del Lavoro* or the *Collective Labour Agreement*);
- c) accept that all the publications derived from the project show the name of the Principal Investigator as the last author.

Further, declare

- d) to commit to co-finance the research for at least 10% of the project cost;
- e) to guarantee optimal management of the resources assigned to the Researcher ("Principal Investigator"), according to the financing methods stated in the Foundation's regulations (see Call for Proposals, Section 3 General Rules and Contract Details, paragraph 3.1);
- f) to unconditionally approve the transfer of the research and the granted funds to another eligible institution, if the Researcher ("Principal Investigator") after having received the approval from the CON IL SUD Foundation, finds lack of adequate and suitable conditions for the realization of his/her project.
